

261 Carlton Beach Road Carlton TAS

Here is your opportunity to secure this superb block of land with only a short stroll over the dunes to Carlton Beach. This land is one to seriously consider being one of the last few left on the waterside in Carlton.

Just imagine the summers you could have - the beach as your backyard, does it get any better than this? The 893 m2 block provides a blank canvas to create a home or holiday home (stca) - the perfect space to escape.

The movable timber shed is available by negotiation. With summer on our doorstep, now is the time to act. Call Emily or Donna today for more information. Living in one of the unique communities within the Southern Beaches really is a privilege, we love LIVING and WORKING here.

The Southern Beaches really do have it all, great local

Land Size : 893 sqm
