## 2 Riviera Drive Carlton TAS

3 1 2

There is so much to love about this stylish, much loved home! With renovations recently completed, we know this home is going to be popular.

The kitchen has undergone a stunning transformation with country style cabinets and aqua blue subway tiles for a pop of colour. Generous amounts of sunlight flood the open plan living, kitchen & dining space.

A stylish wood heater will keep you cosy in the colder months and a reverse cycle heat pump will keep you cosy all year round. The functional separate laundry has also had a makeover.

All three bedrooms are a good size, two include built in robes. You will fall in love with the family bathroom with its sleek design, featuring a stunning timber vanity and walk in
