

5 Arnott Street Dodges Ferry TAS

2  1  2 

Maybe you are looking for a summer shack, somewhere to store the boards and wetties. Or perhaps you are tired of paying rent and want a home to call your own.

This little beauty, just approximately 300 metres from the beach, halfway between Park and Carlton Beaches is sure to satisfy both those needs and more.

With a little imagination and TLC, this delightful fixer upper has the bones to become something special. Timber floorboards are begging to be polished and brought back to life. The original kitchen has that retro feel while the open plan setting brings a sense of modernity. The home has 2 bedrooms, large kitchen/living and a separate TV room that offers flexibility if needed. The bathroom has been updated for your convenience.
