10 Swan Street North Hobart TAS

5 2 1

Set in much-admired row of Victorian Italianate homes, built in 1905 by Paton Bros, "Stirling" resonates with historic heritage and extraordinary period appeal.

Inside, this immaculate home has classical features such as soaring ceilings, intricate ceiling roses, hallway arches, timber balustrading and panel heating all enhance the character and warmth to this timelessly beautiful period home.

Set on three levels, the impressive 248m2 floor plan will accommodate the largest of families or professionals.

The homes bedrooms are very generous in size, two of which accommodate walk through bathrooms, complete with shower, vanity and toilet. One of the bathrooms also includes a bath.
