18 Esplanade Carlton River TAS

3  1  2 

There's plenty to like about this delightful, much loved beach home located in the seaside township of Carlton River, just metres from the river front.

There is something so special about these original vertical board beach shacks that make them very desirable.

Maybe it's the cool, beachy vibe they evoke. Maybe it's the nod to a simpler time when holidays were spent playing beach cricket and riding your bike to the corner store for an ice cream. Who knows, but this home, on Carlton River Esplanade will certainly be a home for you to recreate those times and be a place for you to build new memories.

With its contemporary updates, this home has a flow to it that will suit many buyers.
