For a great start or perfect escape this tidy and comfortable two bedroom home is ready for you. The undercover front veranda provides a private zone for admiring the pretty cottage garden. From here the sliding doors lead to the open plan living / dining / kitchen area. There are two good sized bedrooms with built-in wardrobes and a combined bathroom / laundry just down the hall. One step down to the rear of the home there is a multipurpose room with a view to the bay. This is the ideal space to use as a home office or hobby room. Step outside to the large undercover entertaining space. The free-standing lockable shed with side carport is the perfect space to store the boat and lobster pots. The convenient public boat ramp is only a few minutes away if you plan to be out on the bay exploring and fishing. If gardening is more your style the back yard has room for a vegetable patch with four water tanks capturing rain from the home and shed roofs.
