51 Free Street White Beach TAS

5 🏠 1 🚗

The combination of the nature and coast provides a great lifestyle opportunity. This five-bedroom home was constructed in 1990 by repurposing and connecting two picker's huts filled with character and history.

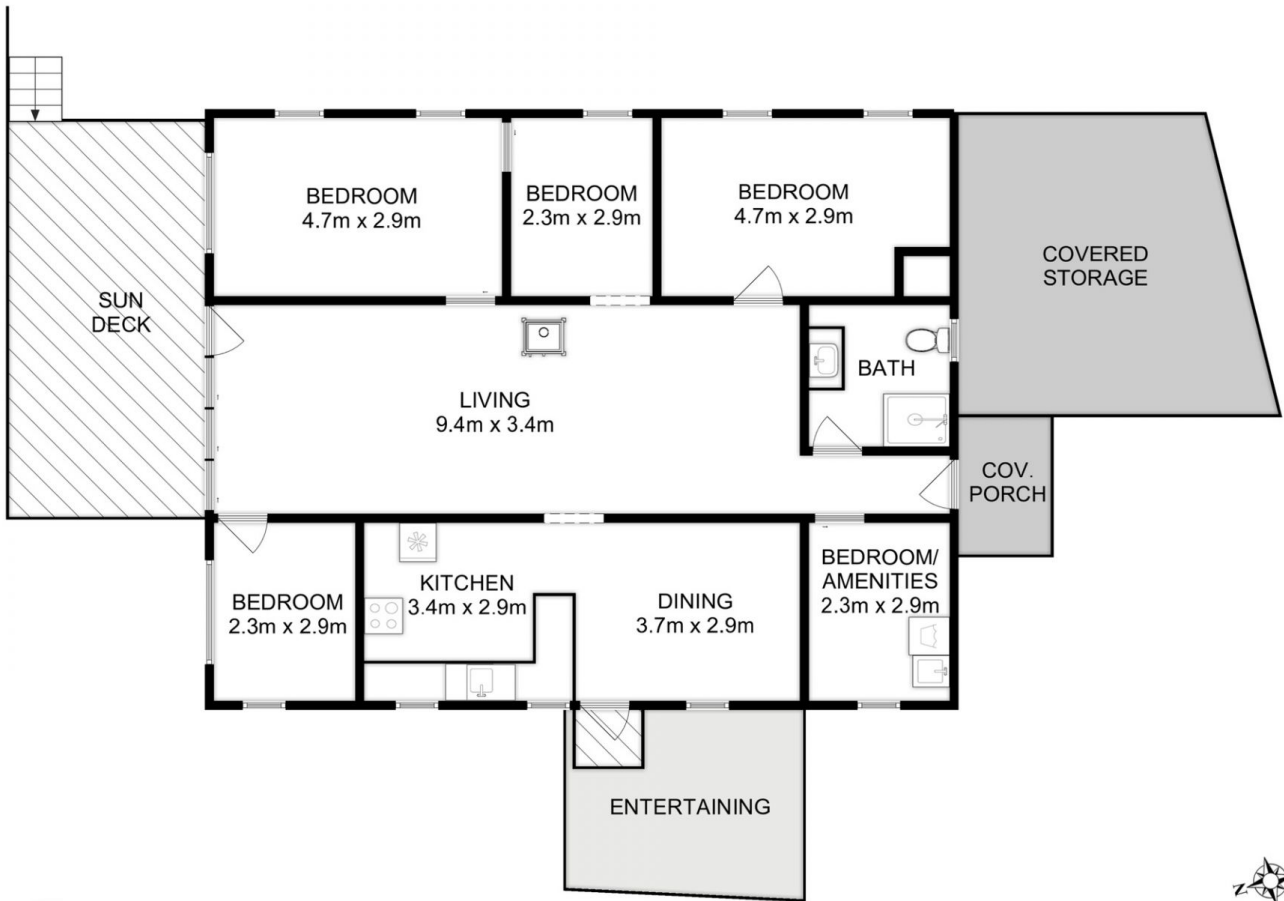

The wood lined cathedral ceiling creates the perfect canopy for the large open plan living area room, with bifold doors leading to the sun deck. From here you can admire the bay, knowing it is only a short walk if you wish to have your feet in the sand. The free-standing wood heater is perfect for creating radiant heat that flows to the fun retro kitchen and dining zone.

The gently sloping block has room for the kids or pets to play or plenty of parking space for a boat. For those that like gardening why not grow some veggies and plant your favourite fruit trees.
